**Memorandum of Understanding
BETWEEN
THE CITY OF SEAL BEACH
AND
MID-MANAGEMENT AND CONFIDENTIAL Employees
Association**

SECTION 1: RECOGNITION

The City of Seal Beach (hereafter "City") has recognized the Seal Beach Mid-Management and Confidential Employees Association (hereafter "Association") as the exclusive representative of the employees in the Mid-Management and Confidential bargaining unit.

SECTION 2: NON-DISCRIMINATION

- A. The parties mutually recognize and agree to protect the rights of all employees to join and/or participate in protected Association activities in accordance with the Employee Relations Ordinance and Government Code §§ 3500 and 3511 and agree to not retaliate against employees.
- B. The Association and the City agree to not discriminate against any employee or potential employee on the basis of race, sex, religion, color, national origin, ancestry, age, disability, gender, or sexual orientation.

SECTION 3: HEALTH INSURANCE COVERAGE: LIFE & DISABILITY INSURANCE

A. **Health Insurance Coverage**

1. The City shall provide for full-time employees and eligible retired employees a group hospital, medical and dental insurance plan.

2. The City shall contribute to the cost of medical coverage for each eligible employee and his/her dependents, an amount not to exceed the California Public Employees' Medical and Hospital Care Act (PEMHCA) minimum contribution. The City shall contribute an equal amount towards the cost of medical coverage under PEMHCA for both active eligible employees and eligible retirees.

3. The City shall implement a full flex cafeteria plan for eligible employees in accordance with the criteria provided to the employees during

negotiations. For employees participating in the City's full flex cafeteria plan, each employee shall receive a monthly flex dollar allowance to be used for the purchase of benefits under the full flex cafeteria plan. Beginning January 1, 2024, the monthly flex dollar allowance shall be:

For Single Employees	\$1,166.99/month
For Employee and 1 dependent	\$/1,803.38/month
For Employee and 2 or more dependents	\$/2,332.12/month

4. A portion of the monthly flex dollar allowance is identified as the City's contribution towards PEMHCA. Thus, for example, in calendar year 2024 a single employee's monthly flex dollar allowance is \$1,166.99, of that \$1,166.99; \$157 has been designated by the City as its required PEMHCA contribution to CalPERS. The monthly flex dollar allowance may only be used in accordance with the terms of the full flex cafeteria plan.

5. Every January 1st during the term of this agreement, the City shall increase the contribution amounts above by the average percentage of increase for basic plans published by CalPERS which sets health insurance premiums for the coverage year.

6. Employees enrolled in the plan are required to pay any premium amounts in excess of the above City contribution. Such amounts will be deducted from the affected employee's payroll check on the 1st 2 pay periods for each month.

7. Beginning January 2020, the minimum employer contribution for participating in the PEMHCA will be adjusted annually to reflect any change in the health care component of the Consumer Price Index. Effective January 1, 2024, the minimum employer contribution is \$157 per month per employee/retiree.

8. Employees meeting the waiver criteria and electing to waive enrollment in the City's full flex cafeteria plan are eligible to receive \$350 per month (upon showing proof of medical insurance coverage under an alternative plan). Election forms are available in Human Resources.

9. Part-time, seasonal, provisional and/or hourly employees shall not be eligible for participation in this program.

10. Full-time employees by these Terms and Conditions who have completed 30 days of uninterrupted service shall be enrolled in the full flex cafeteria plan on the 1st day of the next succeeding month.

11. Employees who change classification from full-time to part-time provisional, hourly, or seasonal shall not be eligible for participation in the full flex cafeteria plan.

12. The City shall not contribute a flex dollar amount for any employee during any month the employee is on leave of absence without pay or who is absent from regular duties without authorization, for a full calendar month. City shall contribute to the cafeteria plan for eligible employees receiving temporary payments from Workers' Compensation Insurance.

B. Life Insurance

1. All employees incumbent in position classifications listed in Section 18 shall receive a \$50,000 term life insurance policy paid by the City.

2. Said insurance shall become effective after the employee has completed 30 days of uninterrupted service with said employee to be enrolled in the program on the 1st day of the next succeeding month.

C. Income Continuation

1. Employees incumbent in position classifications listed in Section 18 shall receive an income continuation policy to provide for income continuation of 66.67% of the employee's monthly salary, up to a maximum of \$5,000 per month, whichever is lesser.

2. Said insurance shall become effective after the employee has completed 30 days of uninterrupted service with said employee to be enrolled in the program on the 1st day of the next succeeding month.

3. Said income continuation shall commence on the 31st day of sickness or other bona fide absence or upon expiration of sick leave, whichever occurs later, and continuing thereafter while the employee is absent from work for a period of up to age 65.

SECTION 4: RETIREE HEALTH INSURANCE

A. Employees covered by these Terms and Conditions shall have the option upon retirement, to continue participation in the City's health insurance program at the employee's expense.

B. Employees in the Mid-Management and Confidential classification who were hired before January 1, 2008 by the City, and who retire after December 31, 2009, with 20 or more combined years of employment with the City shall, upon retirement, be provided with individual medical insurance coverage. If said

employee has 30 or more combined years of employment with the City upon retirement, eligible dependent medical insurance coverage shall also be provided at the rate of (a) the average of the 2 lowest costs medical care plans offered by CalPERS, or (b) the CalPERS Kaiser HMO, whichever is greater. When the retired employee becomes Medicare eligible, the City's contribution will be capped at the rate of (a) the average of the 2 lowest costs Medicare supplement plans offered by CalPERS, or (b) the CalPERS Kaiser HMO Medicare supplement plan, whichever is greater.

C. Employees who were hired on or after January 1, 2008 by the City, and who retire from the City, shall be eligible to receive a City contribution not to exceed the PEMHCA minimum employer contribution towards health coverage under CalPERS, as determined by CalPERS from time to time.

D. An employee with a service retirement and who is eligible to receive retiree medical insurance per Section 3, B & C of this exhibit, may also receive an increase to the medical insurance cap in effect at the time of his/her retirement (not to exceed \$175 per month in additional contributions), until Medicare begins at age 65 with lower supplemental insurance rates. This additional contribution to the cap will accommodate increases in medical insurance plans over the term of the employee's retirement.

E. In all cases, the City's contribution for eligible dependent coverage for retirees shall terminate with the death of the retiree.

F. In the event an eligible retired employee resides in an area where the medical plans provided by the City are not in effect, that retired employee shall be entitled to receive in cash each month an amount equal to the City flex contribution at time of retirement.

SECTION 5: SICK LEAVE

A. All full-time employees covered by these Terms and Conditions shall accrue sick leave at the rate of 1 day per month (8 hours). The maximum accrual of sick leave hours shall be 520 hours.

B. Existing sick leave balances which have remained intact and have not been converted to leave time may be utilized by the employee for sick leave purposes only.

C. Upon termination of employment with the City, all compensable leave hours will be paid to the employee at the employee's base rate of pay. Sick leave balances which have not been converted to leave time will be paid to the employee upon termination at 25% of the employee's base rate of pay.

D. Employees who are on authorized leaves of absence without pay shall not accrue sick leave hours during said leaves of absence.

SECTION 6: LEAVES OF ABSENCE

A. Authorized Leave of Absence Without Pay

1. Upon the Department Head's recommendation and approval of the City Manager, an employee may be granted a leave of absence without pay in cases of an emergency or where such absence would not be contrary to the best interest of the City, for a period not to exceed 180 working days.

2. Upon written request of the employee, the City Council may grant a leave of absence, with or without pay, for a period not to exceed one (1) year.

3. At the expiration of the approved leave, after notice to return to duty, the employee shall be reinstated to the position held at the time leave was granted. Failure on the part of the employee to report promptly at such leave's expiration and receipt of notice to return to duty shall be cause for discharge.

4. During any authorized leave of absence without pay, an employee shall not be eligible to accumulate or receive fringe benefits, except an employee shall receive their monthly flex dollar allowance and the City, as specifically provided for in these Terms and Conditions, shall contribute to the employee's disability insurance plan, and life insurance plan for the first 30 days of leave of absence.

If 5 days of the employee's regular work schedule exceeds 40 hours, the employee may take off work the number of hours in excess of 40 necessary to equal 5 days, without pay, but may use accrued leave time for those hours above 40.

C. Military Leave of Absence

Department Head an opportunity within the limits of military regulations to determine when such leave shall be taken. Whenever possible, the employee involved shall notify the Department Head of such leave request 10 working days in advance of the beginning of the leave.

2. In addition to the provisions of State law, the City shall continue to provide eligible employees on military leave, the monthly flex dollar allowance under the cafeteria plan and disability and life insurance and retirement, (if applicable)) for the first three (3) months of military leave. During said period, the employee shall be required to pay to the City the amount that exceeds the monthly flex dollar allowance (if applicable).

3. After the first (three) 3 months of military leave, the employee may continue said benefits at their cost.

D. **Pregnancy Disability Leave of Absence**

1. An employee who is disabled due to pregnancy shall be granted a pregnancy disability leave as provided by the State of California and the Federal Family Medical Leave Act. The employee may elect to take a lesser period of leave.

5. Family leave may be granted only upon the recommendation of the Department Head and approval of the City Manager consistent with the provisions of State and Federal Family Leave laws.

F. **Catastrophic Leave** - The purpose of the Catastrophic Leave Pool is to enable full time employees to receive and donate vacation, administrative leave, and Compensatory Time Off (CTO) leave credits on an hour for hour basis to assist employees who have no leave and who will suffer a financial hardship due to prolonged illness or injury to themselves or a member of their immediate family. Sick Leave is excluded from this program. The following conditions shall apply to Catastrophic Leave:

1. Catastrophic Leave will be available only to employees who have exhausted their own paid leave through bona fide serious illness or accident.
2. The leave pool shall be administered by the Finance Department.
3. Employees must be in regular full-time appointed positions to be eligible to receive catastrophic leave.

11. Catastrophic Leave due to the illness or injury of the employee may require medical justification as evidenced by a Physician's Statement as to the employee's condition.

SECTION 7: VACATION

A. All Mid-Management and Confidential employees who have passed the employee probationary period (as defined in the Personnel Rules and Regulations, Section 6.01) shall be given a vacation of 80 hours with pay each year.

B. All Mid-management and Confidential employees, who shall have at least three (3) years of continuous service shall be entitled to eight (8) additional hours of vacation for each year of full-time continuous service in excess of three (3) years. The vacation accrual schedule for Mid-management and Confidential employees is as follows:

Years Service	Vacation Hours Earned	Maximum Hourly Accrual Rate / Pay Period Bi-Weekly	Annual Vacation Hours	Maximum Vacation Accrual
1	80	3.0769	80	160
2	80	3.0769	80	160
3	80	3.0769	80	160
4	88	3.3846	88	200
5	96	3.6923	96	200
6	104	4.0000	104	200
7	112	4.3044	112	200
8	120	4.6154	120	200
9	128	4.9231	128	240
10	136	5.2308	136	240
11	144	5.5385	144	240

13	160	6.1538	160	240

D. Employees who have authorized leaves of absence without pay shall not accumulate vacation credits or pay during said leave of absence.

E. Employees are encouraged to use their vacation time and the City will make reasonable efforts to allow employees to do so. Those employees who have been credited in excess of the maximum vacation accrual allowed are expected to use a portion of the excess as leave time, in addition to other vacation time, each year until the bank is drawn down to the maximum accrual amount. The City recognizes that a number of long-term employees have accrued substantially more leave time than shorter-term employees, and that it will likely take them significantly longer to achieve the maximum accrual level. It is the intent of this section to balance the personal interests of the employee with

the financial concerns of the City; as such, making progress toward reaching the maximum accrual amounts may be deemed a success.

F. Vacation leave time shall not be approved until such time as it has been earned, unless prior, special arrangements have been made with the City Manager. The time at which an employee shall take vacation leave shall be requested by the employee prior to the start of the vacation leave period. Such vacation leave to be taken shall be subject to the prior approval of the Department Head, or designee, subsequent to consideration of the departmental workload and other staffing considerations, such as but not limited to, the previously approved vacation schedule of other employees, sick leave and position vacancies.

G. Not more than once in each fiscal year, an employee may, upon timely written request, receive cash compensation for up to 120 hours of accrued and unused vacation time, subject to the City's normal accrual and "cash out" policies and procedures. Beginning with the 2023-2024 fiscal year, not more than twice in each fiscal year, an employee who has completed at least 1 year of continuous service shall, upon request, receive compensation for up to 120 hours of accrued and unused vacation time. The parties agree to reopen negotiations during 2024 to replace the current cash out procedure to an irrevocable election model, with election to take place in December 2024 and each December thereafter, of vacation to be accrued and is unused in the following calendar year.

The days must be consecutive for the employee but may differ between employees.
