THE CITY OF SEAL BEACH IMPLEMENTS NEW ONLINE PERMITTING PLATFORM

SEAL BEACH, CA – The City of Seal Beach is pleased to announce that commencing on August 19, 2024, all development-related applications for planning, building, public works, special events, and relevant processing procedures will be accessible through our new online permitting platform. This advanced permitting management system aims to elevate our customer service standards and streamline operations. The online platform will enhance efficiencies, reduce complexities, and facilitate convenient access to the development approval process.

What Does This Mean for Those Seeking Permits:

For individuals seeking permits, all development-related permit applications can be submitted via the City's public web portal: <https://bit.ly/EPLLogIn>. By submitting through the new system, applicants will also be able to track their permit status.

Permits and Projects:

- Inspection Requests
- Encroachment Permits
- New Construction
- MEPs
- Re-Roofs
- Special Events
- Signs
- Solar

We encourage the public to familiarize themselves with the functionality and benefits of the new online platform. For more information and instructions on the submittal process please visit <https://bit.ly/SBEPL> or for other inquiries and additional information please contact the Community Development Department at 562)431-2527 x 1345 or mcoats@sealbeachca.gov.
